

# RUFFWEAR®

## Web Master Pro™ Harness

a lift-and-assist harness designed to address the needs of professional avalanche and search and rescue teams

### KEY FEATURES

Customizable fit with five points of adjustment allow for full range of motion

- A** Two low-profile, zippered pockets have interior stretch
- B** All-metal hardware provides durability with the rigors of professional use and retains function in snow, ice and dirt environments
- C** Oversized handle is designed for use with gloves and provides an easy lift and assist when loading dogs into vehicles, airships and chairlifts
- D** Low light visibility with reflective trim

**ACTIVITIES:** Skiing, Snowboarding, Working Dogs
